Our Guests and Residents may use the parking places which are marked on the map below. You can pay in any cashier's window after presenting a parking ticket. For your convenience we launched a PREPAID option, thanks to which you do not have to pay in a cashier's window each time. The User may charge a Subscription Card at any time for PLN 50 or a multiple thereof; however, the total charge limit in the Subscription Card may not exceed PLN 300.00.
