

engineering.tomorrow.together.

At thyssenkrupp we have more than 155,000 employees in nearly 80 countries and annual sales of €43 billion. We are active in automotive engineering, logistics, plant technology, steel production, elevator manufacturing and much more. We work in large and small businesses all around the world – but we always work together. We have over 200 years of experience in industry and the latest cutting-edge technology. We have a position that's right for you, that piques your interest, and that puts your skills to the test.

## Senior Controlling Specialist

thyssenkrupp Group Services Gdańsk, Location Gdańsk

thyssenkrupp Group Services Gdańsk is a **global competence and development center** aimed at bundling and standardizing business processes for thyssenkrupp companies worldwide. We provide services in the areas of Finance & Accounting (FI), Human Resources (HR), Information Technology (IT), and Real Estate Management (RE). As thyssenkrupp Gdańsk we are a part of Global Shared Services Centres and one of the biggest SSC in Tricity. We are located in a modern Gdańsk office overlooking the sea.
